

TACOM Life Cycle Management Command

TACOM Contracting Center

Who We Are

We are the U.S. Army's TACOM Contracting Center. Located at multiple geographic sites throughout the United States, we are responsible for acquisition support and contracting for the Army's major weapon systems, and for systems and equipment supporting other services, and foreign military sales customers. We insure warfighting readiness for the soldier by purchasing ground combat, tactical vehicles, small arms, chemical/biological systems, targetry, supporting services, associated repairable and consumable parts, and the Future Combat Systems program. We are a customer focused organization with goals related to customer satisfaction, contracting excellence, workforce revitalization and development, improving our work environment, implementing improved business processes, and leadership competencies.

What We Do

- We provide comprehensive acquisition, contracting, business advisory, production support, and depot-level maintenance services in acquiring, fielding, and sustaining TACOM Contracting Center systems and supporting requirements. We also provide service as the Command's Competition Advocate and the Command's Ombudsperson. We ensure that the best products and services reach our soldiers when they need it, while ensuring fair opportunity for industry, including small businesses and obtaining the best value for our Army.
- We procure research and development, systems, repair parts and services for:
 - Combat vehicles
 - Tactical vehicles /Trailers
 - Support Equipment
 - Tactical Bridges
 - Construction and material handling equipment
 - Fuel and Water Distribution Systems
 - Watercraft and Railcars
 - Future Combat Systems
 - Artillery
 - Base operation support
 - Depot maintenance
 - Advanced Science and Technology Programs
 - Sets, Kits, Outfits, and Tools
 - Combat Vehicle Armaments
 - Training Devices
 - Fire Control Systems
 - Cannons 105-165mm
 - Recovery Vehicles
 - Mortars
 - Aircraft Armaments
 - Small Arms
